---

### PROFILE

Very passionate and enthusiastic about art and animation. Creative and pays close attention to detail. Proficient in the industry standard software and creates appealing and charming illustrations. Hard working and always gives 100% on any given project. Possesses phenomenal communication skills, works really well with a team, and takes criticism in stride. Always able to find a solution when problems arise.

### SKILLS

- Strong drawing skills, both traditionally and digitally
- A strong sense of composition and storytelling
- Firm grasp on anatomy and creating appealing art
- Proficient in Photoshop, After Effects, Toon Boom Harmony, and Maya
- Strong written and verbal communication skills
- Critical thinker with keen and attention to detail
- Experienced at multitasking, organizing, and delegating tasks

### EDUCATION

#### **Johnson County Community College (Overland Park, KS) — 2017–2021**

- **AAS in Animation Entertainment and Game Art Design**
- **A member of The Animation Guild club**
- **3.5 GPA**

### EXPERIENCE

#### **Free Lance**

#### **Character Designer — 2019**

Designed and illustrated multiple fantasy genre characters for a small printed publication, as well as a character design used for promotional marketing.

#### **Harbor Lights Coffeehouse (Leavenworth, KS)**

#### **Barista — 2013–2021**

In addition to making delicious coffee drinks this job entailed working directly with customers, answering any questions they might have, making sure that their orders were fulfilled, and that they left happy and satisfied after every visit. This requires excellent communication and customer service.
